IN RE: GRANITE RIDGE ENERGY, LLC  
DOCKET NO. 98-02

FOURTH STATUS UPDATE ON COOLING WATER LINE REALIGNMENT

NOW COMES Granite Ridge Energy, LLC (“GRE”), by and through its attorneys, Orr & Reno, P.A., and respectfully submits to the New Hampshire Site Evaluation Committee (“Committee”) the following Fourth Status Update, as follows:

1. By letter dated December 5, 2014, the Committee’s Chairman stated that a proposed realignment of GRE’s cooling water line adjacent to Pettengill Road required no further action by the Committee and directed GRE to provide monthly updates generally outlining the progress of the modification. GRE has filed status updates on January 5, February 5 and March 3, 2015.

2. Installation of the replacement cooling water line was substantially complete in early March 2015 and operations began on March 6, 2015. Preparation of as-built plans are in process, with submission to the Committee anticipated to occur within the next thirty days.

Respectfully submitted,

Granite Ridge Energy, LLC
