

STATE OF NEW HAMPSHIRE  
SITE EVALUATION COMMITTEE

DOCKET NO. 2008-04

Re: **Application of Granite Reliable Power, LLC for a Certificate of Site and Facility for the Granite Reliable Power Wind Park in Coos, County**

April 6, 2009

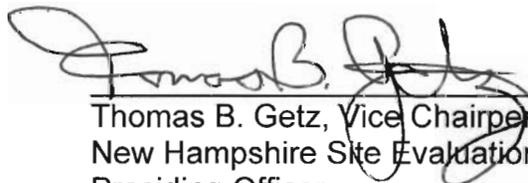

**ORDER AMENDING BRIEFING SCHEDULE**

Pursuant to prior scheduling orders in this docket, the adjudicative hearing was to conclude on March 19, 2009, and the parties were ordered to file their closing briefs by 7:00 pm on Monday, April 6, 2009.

On Thursday, April 2, 2009, the Subcommittee heard additional testimony at the request of Counsel for the Public. On April 6, 2009, the Subcommittee received a letter from Lisa Linowes requesting an extension of the briefing deadline in order to permit the parties to review the transcript of the April 2, 2009 testimony. The Applicant has indicated that it assents to an extension of the briefing schedule so long as the extension does not interfere with the ultimate disposition of this matter in accordance with the Subcommittee's schedule.

**The deadline for the filing of briefs is hereby extended until noon on Friday, April 10, 2009.** It is expected that all parties will file their brief in electronic format. If any party chooses not to file its brief in electronic format, that party shall be required to deliver a hard copy of its brief to each member the Subcommittee and to the other parties by noon on April 10, 2009.

So ordered, this 6<sup>th</sup> day of April, 2009.

Thomas B. Getz, Vice Chairperson  
New Hampshire Site Evaluation Committee
