September 23, 2009

Mr. Thomas S. Burack, Chairman  
Site Evaluation Committee  
NH Department of Environmental Services  
29 Hazen Drive  
Concord, NH 03301

**Re: Application of Granite Reliable Power, LLC  
Docket No. 2008-04**

Dear Chairman Burack:

The members of the Board of Coös County Commissioners are unable to attend the public session scheduled for September 28, 2009 for the purpose of considering and ruling on the various motions for rehearing received by the NH Site Evaluation Committee on the Granite Reliable Power Wind Park proposed for several unincorporated places in Coös County.

The Coös County Commissioners urge members of the SEC not to grant any further hearings and proceed with finalizing the Certificate of Site and Facility for the applicant, Granite Reliable Power, LLC.

We wish to compliment the SEC for the comprehensive and very public process afforded the applicants and the broad range of intervenors during the past 14 months. It is our understanding that the applicant has met the burden of adhering to applicable state laws and administrative rules.

We, in both of our roles as County Commissioners and Selectmen for the Unincorporated Places where the wind park will be situated, reaffirm our full support for the expeditious issuance of a final Certificate of Site and Facility.

Sincerely,

Burnham A. Judd  
Chairman

COMMISSIONERS
