Clean Power Development
130 Pembroke Road
Suite 100
Concord, NH 03301

Dear Mr. Gabler:

Enclosed, you should find a copy of a letter and two petitions received by the New Hampshire Site Evaluation Committee regarding the project of Clean Power Development located in Berlin, New Hampshire. Also enclosed, please find correspondence that I have sent to the representatives of the petitioners. As you can see, I have instructed the petitioners to obtain certification of registered voters from their respective clerks' offices. Upon receipt of such certifications, the Site Evaluation Committee may issue an Order and Notice of Hearing to determine whether or not to take jurisdiction of the project.

If you intend to be represented by legal counsel, I would respectfully suggest that you contact your lawyers as soon as possible and have him or her file an appearance with the Site Evaluation Committee.

Thank you for your time and attention to this matter.

Very truly yours,

Michael J. Iacopino
