Re: SEC Docket No. 2010-01
Application of Groton Wind, LLC

Dear Mr. Iacopino:

On April 6, 2010, I received your inquiry, pursuant to RSA 162-H:7, IV, asking whether the Application in the above-captioned proceeding "contains sufficient information for your agency to review the Application and consider the issuance of permits, conditions or licenses, if any, under the jurisdiction of your agency pursuant to either state or federal law." Please be advised that the Public Utilities Commission (PUC) does not have any "application requirements" as contemplated under RSA 162-H:7, IV. Accordingly, there are no PUC permits, conditions or licenses relevant to this proceeding.

Very truly yours,

A handwritten signature in black ink, appearing to read "Thomas B. Getz". The signature is stylized with a large, sweeping initial "T" and a long, horizontal flourish.
