STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE

Docket No. 2010-01

RE: APPLICATION OF GROTON WIND, LLC
FOR A CERTIFICATE OF SITE AND FACILITY
FOR A RENEWABLE ENERGY FACILITY IN GROTON, NH

**APPLICANT'S PARTIALLY ASSENTED-TO MOTION TO EXTEND THE
TIME TO FILE RESPONSES TO A PORTION OF THE DATA REQUESTS
PROPOUNDED BY COUNSEL FOR THE PUBLIC**

NOW COMES Groton Wind, LLC ("the Applicant"), by and through its undersigned attorneys, and respectfully moves the New Hampshire Site Evaluation Committee ("Committee") to extend the time by which the Applicant must submit responses to a portion of the data requests propounded by Counsel for the Public. In support of this Motion, the Applicant states as follows:

1. The Presiding Officer's Report of Prehearing Conference and Technical Session and Procedural Order issued on June 25, 2010 in the above-captioned docket ("the Procedural Order"), *inter alia*, approved a procedural schedule for this docket that included the submission of data requests from Counsel for the Public by July 9, 2010, and a deadline of July 19, 2010 for the Applicant to answer those data requests.
2. On July 9, 2010 the Applicant received 378 data requests from Public Counsel. Overall, the Applicant received 500 data requests from Public Counsel and the other parties to the docket.

3. The Applicant has made a good faith effort to prepare responses to the data requests that it has received and is prepared to submit responses to most of the data requests. Although the Applicant intends to respond to all of the Intervenors' data requests and as many of Counsel for the Public's data requests as possible on July 19, 2010, it does not appear it will be able to respond to all of the data requests propounded by Counsel for the Public by this deadline. Specifically, the Applicant is in need of 3 additional days, i.e. until July 22, 2010 to respond to the data requests contained in the second and fourth sets of data requests propounded by Counsel for the Public. The Applicant will respond to these data requests as soon as possible.

4. The Applicant believes that granting a short extension of the time by which the Applicant must submit responses to a limited portion of the data requests from Public Counsel will not unduly delay the prompt and orderly conduct of the proceeding; the next steps in the schedule included in the Procedural Order are the deadline of July 26 for the submission of state agency progress reports and August 9 as the date for a technical session.

5. Pursuant to N.H. Admin. Rule Site 202.14(d), the undersigned has made a good faith effort to obtain concurrence with the relief sought herein from of all of the parties by sending them an e-mail requesting their positions on this Motion. As of the time of the filing of this Motion, Counsel for the Public has indicated his assent, and the remaining parties did not respond to the above-referenced e-mail before the time this Motion was filed.

WHEREFORE, in view of the foregoing, the Applicant respectfully requests that this honorable Committee:

A. Extend the deadline for submitting responses to a portion of the data requests as described above; and

B. Order such further relief as it deems appropriate.

Respectfully submitted,

Groton Wind, LLC
