Eileen Fox, Clerk of Court
The State of New Hampshire Supreme Court
One Charles Doe Drive
Concord, New Hampshire 03301-6160

Regarding: Supreme Court Docket Number 2011-0640 (Appeal of Buttolph/Lewis/
Spring Intervenor Group, pro se, vs New Hampshire Site
Evaluation
Committee's (Docket 2010-01) position on the Groton
Wind Project
Proposal.

Dear Clerk Fox,

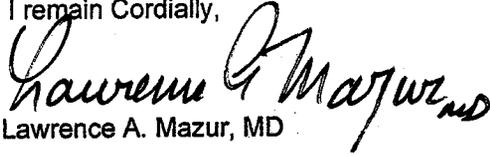

As spokesman for the Mazur-Wetterer Intervenor
Group (Christine
G. DeClercq-Mazur, Lawrence A. Mazur, MD, Sarah M. Mazur, Theodore G. Mazur,
Richard Wetterer- all of whom are Rumney residents) designated by the New
Hampshire Site Evaluation Committee for participation in its Docket
2010-01 proceedings, I write to convey our total support for the
arguments and motions made by the Buttolph/Lewis/Spring Intervenor
Group during the past few weeks to this Honorable Court in its plea to
find that the NHSEC's orders are based on erroneous interpretation of
applicable RSAs.

We concur with the request to decline Groton Wind
LLC's motion for summary disposition and pray this Court give the

necessary due attention of a full review to this contentious matter with all the gravity of its jurisdiction.

Remaining available to the Court in the future for any discretionary need,

I remain Cordially,

Lawrence A. Mazur, MD
