**Re: Groton Wind , LLC - Enforcement Issues  
SEC Docket No. 2010-01**

Dear Attorney General Delaney:

I am writing to you in my capacity as Chairman of the Site Evaluation Committee (Committee). On December 31, 2012, the Committee received two letters from the Board of Selectmen for the Town of Rumney. The letters raised issues that pertain to the authority of the Committee to monitor and enforce the terms and conditions of its Certificate of Site and Facility (Certificate) in this docket. On January 14, 2013, one of the original intervenors in this docket, James Buttolph, filed a motion to re-open the record. Mr. Buttolph's motion also involves issues that pertain to the authority of the Committee to monitor and enforce the terms and conditions of its Certificate in this docket. Counsel for the Public previously appeared in this docket and I invite you to assign Counsel for the Public to participate with regard to the issues raised by the Town of Rumney and Mr. Buttolph. These matters will be preliminarily addressed at a public meeting of the Committee on February 19, 2013.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Thomas S. Burack".

Thomas S. Burack, Chairman  
NH Site Evaluation Committee
