Groton, NH 03241

Dear Select Board,

It is with regret that we send this letter as our notification to you that effective December 31, 2013 Rumney will no longer be covering EMS calls in your town.

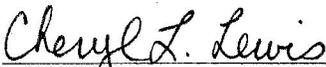

At this time, due to a limited roster and availability of our First Responders, we are not able to provide the level of service we have in the past on a consistent basis. We hope that in time the Rumney EMS will be able to increase its roster with qualified responders and be able to once again offer their services to you for emergency calls.

It has been a privilege to be able to provide emergency medical services to your residents over the years, and we look forward to being able to resume those services to your town in the future. If you have any questions about this, please do not hesitate to contact us.

Sincerely,

Edward L. Haskell, Jr.
