**RESPONSE TO APPLICANT'S OBJECTION TO JANICE DULEY LONGGOOD'S
MOTION TO COMPEL**

Janice Duley Longgood reviewed Antrim Wind Energy's objection to her pending motion to compel of June 28th 2012. Longgood requested a visual simulation from her home. The picture referenced in the Applicants objection is located at the power lines on Salmon Brook Road. My driveway is over a half mile from that reference point and my home is an additional 800 feet into the forest. As a direct abutter, there are 4 turbines proposed to be closer than a mile to my home. The closest turbine is 3,843 feet from the walls of my home and 1,885 feet from my property line.

I respectfully request that the Committee grant my motion to compel as this information is necessary to permit me to fully and fairly present my case as a direct abutter to the proposed facility.

Dated this 18th day of July
