**THE STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE**

Docket No. 2012-01

Re: Antrim Wind Energy, LLC

**APPLICANT'S OBJECTION TO
LAW/CLELAND MOTION TO OBJECT**

NOW COMES Antrim Wind Energy, LLC ("AWE" or "the Applicant"), by and through its undersigned attorneys, and objects to the "Motion to Object Letter from Climate Counts" filed by Intervenors Annie Law and Robert Cleland ("Law/Cleland Motion") in the above-captioned matter by stating as follows:

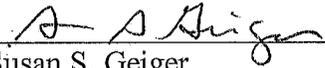

1. The Law/Cleland Motion does not comply with N.H. Admin. Rules Site 202.14 (d) and (e) as it does not indicate the moving parties' good faith effort to obtain concurrence with the relief sought, its caption does not state whether it is assented-to or contested, and the body of the motion does not identify the positions of other parties. In addition, the moving parties violated N.H. Admin. Rules Site 202.07 because they did not serve their motion upon all other parties on the service list. This violation is inexcusable given that Ms. Law and Mr. Cleland have been active participants in the instant docket for approximately one year and should be familiar with this Committee's procedural rules by now. For these reasons alone, the Law/Cleland Motion should be denied.

2. For all of the reasons stated in the Applicant's Objection to IWAG Motion to Prohibit Post-Hearing Submissions, reasons which are incorporated herein by reference, the Law/Cleland Motion should be denied.

WHEREFORE, in view of the foregoing, the Applicant respectfully requests that the Committee:

- A. Deny the Law/Cleland Motion; and
- B. Grant such further relief as it deems appropriate.

Respectfully submitted,
Antrim Wind Energy, LLC
By its Attorneys,
Orr and Reno, P.A.
