Dear Attorney General Foster:

I am writing to you in my capacity as the Chair of the New Hampshire Site Evaluation Committee. On February 10, 2014, New England Power Company d/b/a National Grid filed the above-referenced Application for a Certificate of Site and Facility proposing to site, construct and operate a 230 kV electric transmission tap line in Littleton, Grafton County, New Hampshire.

Pursuant to RSA 162-H: 9 please appoint an Assistant Attorney General as counsel for the public. Please be assured that counsel for the public will be accorded all the rights, privileges and responsibilities of an attorney representing a party in a formal action and should serve until a decision to issue or deny a Certificate of Site and Facility is final.

We look forward to your appointment.

Very truly yours,
