The proposed request is situated in District Three which I represent on private lands located in Dixville, Erving's Location, Millsfield, Odell and the town of Dummer in Coos County (Facility.)

I am respectfully requesting that The Site Evaluation Committee recess this public hearing, readvertise Docket Number 2014-03 " Motion of Granite Reliable Power, LLC to Amend a Certificate of Site and Facility with Request for Expedited Relief", for the following reasons:

- #2: The advertising was not located in the vicinity of the facility.
- #3: Neither the Coos County Commissioners, Business Administrator not the Coos County Planning Board was notified of the this applicaltion or meeting.

I again respectfully request that the Site Evaluation Committee schedule this hearing in the effected county Coos, at the DRED building in Lancaster and be advertised in the local North County Papers located in Coos county.

Respectfully Submitted,
