**RE: Supplement to Granite Reliable Power's Motion for In Camera Review  
New Hampshire Site Evaluation Committee Docket No. 2014-03**

Dear Ms. Murray:

As a supplement to Granite Reliable Power's Motion for *In Camera* Review to Determine Discoverability of its Safety Plan, I would like to inform the Committee that Granite has reached out to all parties and that Counsel for the Public does not assent to the Motion and Ms. Linowes plans to object. Commissioner Samson has not indicated whether he has any objections.

Thank you for your attention to this matter, and please let me know if you have any questions.

Sincerely,

Matthew S. Warner
