To: Jane Murray

Jane- I am in receipt of Mr. Roth's motion which was sent to all interested parties. In order to keep the record straight in this matter I have attached below an e-mail chain between Dr. Kilpatrick, the expert witness and Joshua Stayn, in-house counsel for Granite. Mr. Stayn's first e-mail, asking Dr. Kilpatrick for an executed W-9 form in order to pay him, was sent to Dr. Kilpatrick prior to Brookfield's receipt of the Roth motion. In short there is absolutely no dispute to resolve. Brookfield has received the executed W-9 form and payment is being processed. Please make sure all interested parties are aware of this fact. Thank you. Harold Pachios

Dr. Kilpatrick:

Thank you for responding to my email and for providing the requested information. I will forward it to our Accounts Payable group now and ask that a check be issued expeditiously. Even so, with the weather here in Boston, it might take a few days. Thank you in advance for your patience.

Regards,
Joshua
