

State of New Hampshire Site Evaluation Committee

NOTICE OF STAKEHOLDER TECHNICAL SESSION ON OCTOBER 28, 2015 REGARDING JLCAR PRELIMINARY OBJECTION IN RULEMAKING DOCKET NO. 2014-04

October 20, 2015

PLEASE TAKE NOTICE that the Site Evaluation Committee for the State of New Hampshire (Committee) has scheduled a **stakeholder technical session**, to review and discuss certain issues raised by the **Preliminary Objection issued by the Joint Legislative Committee on Administrative Rules (JLCAR)** in the Committee's rulemaking initiative under Docket No. 2014-04, to be held on **October 28, 2015 at 1:00 p.m.** The technical session shall be held at the offices of the New Hampshire Public Utilities Commission, 21 South Fruit Street, Suite 10, Concord, New Hampshire.

The technical session will be open to the public and will be conducted with the facilitation of staff working with the Committee, but will not be attended by or otherwise involve members of the Committee. The technical session is intended to focus primarily on the following specific issues:

1. "Public interest" criteria under proposed Site 301.16 and RSA 162-H:16, IV (e); and
2. "Cumulative impacts" criteria as applied to energy facilities other than wind energy systems (proposed Site 301.03(h)(6) and 301.14(g)).

Copies of this Notice of Stakeholder Technical Session shall be posted at the offices of the New Hampshire Public Utilities Commission and at the Department of Environmental Services. This Notice shall also be posted to the Committee's website.

Martin P. Honigberg, Chairman
Site Evaluation Committee
