Re: Antrim Wind, LLC

Dear Dr. Ward:

Thank you for your letter dated December 31, 2014 which was received in my office on January 5, 2015. Your letter asks that I give you legal advice. Please be advised that I cannot provide you with any legal advice. I have been retained by the New Hampshire Site Evaluation Committee as counsel to the Committee. As counsel to the Committee, I cannot provide legal advice to the parties or potential parties to a petition or application. However, in response to your letter, I would simply draw your attention to RSA 162-H:10 which provides the notice and publication requirements in those cases where an Application for a Certificate of Site and Facility has been filed with the Committee. I would also draw your attention to RSA 162-H:16 which sets forth the criteria that must be considered by the Site Evaluation Committee with regard to an Application for a Certificate of Site and Facility.

Once again, I cannot provide you with legal advice regarding the Antrim Wind Energy matter. I trust that you understand my position.

Sincerely,

Michael J. Iacopino
