SITE EVALUATION COMMITTEE

RE: Petition for Jurisdiction of a Renewal Facility )  
By Antrim Wind Energy, LLC )  
SEC Docket Number 2014-05 )

**MOTION TO INTERVENE *PRO SE* OF Patrick J. Leary**

Pursuant to the New Hampshire Site Evaluation Committee Rules Site 202.11, Patrick J. Leary hereby moves for permission to intervene *pro se* in the above-referenced proceeding. In support of his Motion to Intervene, Patrick J. Leary offers the following arguments:

- (1) **Patrick J. Leary can demonstrate a substantial interest which may be affected by the outcome of the proceeding.**

My interests include the lack of environmental and economic benefits to New Hampshire.

- (2) **The interest of Patrick J. Leary will not be adequately protected by other parties.**

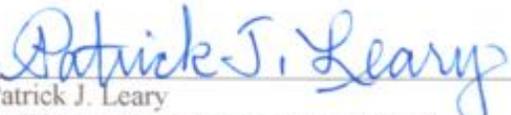

In exercising its discretion, I respectfully ask that the Committee consider whether the party's interest will be adequately protected by other parties. As a resident of North Hancock, New Hampshire I am concerned that my interests are not adequately addressed by any other party before the Committee.

- (3) **The intervention of Patrick J. Leary will be in the interest of justice and will not impair the orderly and prompt conduct of the proceedings by allowing the intervention.**

Pursuant to the SEC Order of December 30, 2014, Patrick J. Leary files this Motion to Intervene by the deadline set forth by the Committee for Docket 2014-05 and requests that I be permitted to intervene with full standing to participate in all phases and activities of the proceeding. I respect the importance of conducting this proceeding in an orderly manner that will not unduly delay the Committee or the parties in reaching an outcome. I am prepared to work closely with other parties to the proceeding in the interest of maintaining order and respectfully offer that my participation, if permitted, would be in the interest of justice.

Dated this 20<sup>th</sup> day of January, 2015

Respectfully submitted,
