SITE EVALUATION COMMITTEE**

RE: Petition for Jurisdiction of a Renewal Facility)
By Antrim Wind Energy, LLC)
SEC Docket Number 2014-05)

MOTION TO INTERVENE *PRO SE* OF Clark A. Craig Jr.

Pursuant to the New Hampshire Site Evaluation Committee Rules Site 202.11, Clark A. Craig Jr. hereby moves for permission to intervene *pro se* in the above-referenced proceeding. In support of his Motion to Intervene, Clark A. Craig Jr. offers the following arguments:

- (1.) Clark A. Craig Jr. can demonstrate a substantial interest which may be affected by the outcome of the proceeding.**

I am an abutter to the proposed Antrim Wind Project. My family has owned this property since 1895 and I have lived here all of my life. I feel this project would have a negative impact on me and my land.

- (2.) The interest of Clark A. Craig Jr. will not be adequately protected by other parties.**

In exercising its discretion, I respectfully ask that the Committee consider whether the party's interest will be adequately protected by other parties. Since I, as a resident of the North Branch region of Antrim where the proposed wind facility would be constructed, are concerned that our interests have been fairly addressed thus far by the Town Boards of Antrim, I do not believe that any other party to this proceeding can adequately represent my interests in proceedings before the Committee.

- (3.) The intervention of Clark A. Craig Jr. Will be in the interest of justice and will not impair the orderly and prompt conduct of the proceedings by allowing the intervention.**

I petitioned for and was granted Intervener status in Antrim Wind Energy, LLC's prior cases before the Committee (SEC Dockets 2011-02 and 2012-01) and as such understand and respect the hearing process.

Pursuant to the SEC Order of December 30, 2014, Clark A. Craig Jr. files this Motion to intervene by the deadline set forth by the Committee for Docket 2014-05 and requests that I be permitted to intervene with full standing to participate in all phases and activities of the proceeding. I respect the importance of conducting this proceeding in an orderly manner that will not unduly delay the Committee or the parties in reaching an outcome. I am are prepared to work closely with other parties to the proceeding in the interest of maintaining order and respectfully offer that my participation, if permitted, would be in the interest of justice.

Dated this 20th day of January, 2015.

Respectfully submitted,

Clark A Craig Jr.
