**Re: Application of Antrim Wind Energy, LLC, for a Certificate of Site and Facility for Construction of a Wind Project in Antrim, New Hampshire
SEC Docket No. 2015-02**

Dear Attorney General Foster:

I am writing to you in my capacity as Administrator of the Site Evaluation Committee. On October 2, 2015, the Committee received an application for a Certificate of Site and Facility for the siting, construction and operation of a 28.8 MW wind project. The Project, as proposed, will consist of 9 turbines each with a nameplate generating capacity of 3.2 MW. The Project will be located entirely in the northwest portion of the Town of Antrim.

Pursuant to RSA 162-H:9, please appoint an Assistant Attorney General as counsel for the public. The counsel for the public will be accorded all the rights, privileges and responsibilities of an attorney representing a party in a formal action and will serve until the decision to issue or deny a certificate is final. I look forward to your appointment.

Sincerely,

Pamela G. Monroe
Administrator
Site Evaluation Committee
