THE STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE

Docket No. 2015 – 02

Re: Antrim Wind Energy, LLC

PETITION FOR INTERVENTION
BY CHARLES A. LEVESQUE

NOW COMES the Petitioner and respectfully petitions the New Hampshire Site Evaluation Committee (“the SEC” or “the Committee”) to grant leave to intervene in these proceedings pursuant to NH Code of Administrative Rules, Site 202.11 and RSA 541-A:32. In support of its petition, Mr. Levesque states as follows:

1 Since 1997, Petitioner has been a resident, taxpayer and voter in the Town of Antrim, NH.

2 This Petition is filed in response to an application filed by Antrim Wind Energy LLC (“AWE”) on or about October 2, 2015 seeking the SEC’s certificate of site and facility related to a proposed wind energy project (the “Proposal”) proposed to be sited in the western part of Antrim, New Hampshire, the same site of which was the subject of a 2012 docket before the SEC (current Docket 2014-05).

3 Petitioner has previously shown interest in this matter as a member of the Antrim Planning Board as one of its two spokespersons in the previous docket in 2012. The Antrim Planning Board was granted intervention status in that docket. Petitioner, as an individual, was also granted intervenor status in the jurisdiction docket for Antrim Wind in 2015.

4 That Petitioner was Chair and lead author of the Antrim Open Space Committee's
2005 "*Open Space Conservation Plan for Antrim*" which included substantial study and conclusions
about the land area in question in the current docket.

5 Petitioner's residence is 1.7 miles from the ridge top on which the energy project of
this docket is proposed and, as such, will impact Petitioner if the project is built.

6 Petitioner requests that he be placed in an intervenor group only with Mary Allen,
another Antrim resident also petitioning for intervenor status. Ms. Allen and Petitioner have
similar interests and evidence they plan to offer the SEC during its adjudicatory process under
this docket separate from the interests of other non-abutting Antrim residents.

SUMMARY

6 For the foregoing reasons, Petitioner asks leave to intervene pursuant to Site 202.11(b)
on the following grounds:

- a. This Petition will be served and submitted within the time limits set out in the
rule;
- b. This Petition states facts demonstrating that Petitioner has substantial rights
and interests that will be affected by the proceeding; and
- c. That granting this Petition would serve the interest of justice.

Request for Relief

WHEREFORE, I respectfully request that the SEC issue an order granting my petition for intervention and granting such other and further relief as it deems appropriate.

Respectfully submitted,

Charles A. Levesque
