

Dear Interim Administrator and Ms. Donna Hanson,

Please find in the current email a cover letter for the submission of the Post-construction sound monitoring report of the summer 2020 campaign for the Antrim Wind Energy facility (which report will follow in a second email due to its size, 5 Mb). A paper copy will also follow via mail in the next couple days.

Should you have any questions, please let us know.
Thanks and stay safe!

Jeff L.

Re: Antrim Wind Energy – Post-Construction Sound Monitoring Report for Summer 2020

Dear Interim Administrator and Ms. Donna Hanson,

Following conditions of the Antrim Wind Energy (AWE) NHSEC Certificate¹ and the Town Agreement², please find attached the report for the Post-Construction Sound Monitoring performed during the summer 2020.

Per AWE NHSEC Certificate's condition and the Town Agreement, we respectfully request that the Town of Antrim maintain a copy of this report *available at the Town Hall for all potential owners and/or developers (Potential Owners and/or Developers) applying for either a: (i) building permit to construct a new residential structure or (ii) planning board approval for the subdivision of land for residential use, within one mile of any wind turbine associated with the Project (New Development).*

¹ NHSEC Order and Certificate of Site and Facility with Conditions, Docket No. 2015-02, March 17, 2017.

² Amended Agreement Between the Town of Antrim New Hampshire and Antrim Wind Energy LLC, Developer/Owner of Antrim Wind Power Project Dated as of March 8th, 2012, amended on January 16, 2018.

In conclusion, we believe the attached report satisfies the AWE NHSEC Certificate's condition and the Town Agreement as well as NHSEC Rule 301.18 while showing compliance with the applicable sound limits.

We wish to reiterate that TransAlta is committed to the safe operation of all its facilities including AWE.

Regards,

TRANSALTA CORPORATION
