Dear Ms. Donna Hanson,

In order to help the payment status review with our account payable, did you submitted an invoice for 2021 similarly to the one attached (submitted for 2020)?

If no invoice was sent, then most likely the payment isn't done yet and we would respectfully ask if you can send us such invoice so we can processed it shortly. We should have reached out to receive such invoice and therefore would apologies for the delay.

If an invoice was sent, then could you resend it to Ethan and myself and we will check on the status and, if not made already, make sure that it is processed shortly.

By looping Ethan Mollasalehi, AWE site lead and US supervisor, I have asked him to touch base with you at the beginning of each year so we can receive the invoice in order to process future scholarship payment in due time.

Hope this helps clarifying things.
Thanks and best regards,

Jeff L.
