**Subject:** Wind power

Hello Pamela. My name is Theodore Brown and I live in Antrim NH. I am totally in favor of Wind farm technology. It is clean and available in many locations.

I get annoyed to hear people complain about the "view" but are willing to use electricity in their homes.

I personally find the wind mills enchanting.

Thank you for all you do.

Sincerely; Theodore Brown, 64 Littles Lane Antrim NH 03440
