

December 1, 2016

Let's get this done - Change  
Happens! It is important  
to have the wind become a friend,  
that will help us live cleaner and  
our forest saved! Joyce Dawson  
Auttrim, NH.

Son Peter

A bee keeper, working  
to save what we can with smoke  
and asks at a minimum

Son George

Supporting this effort 100% -
