Subject: Windmills in Antrim, NH

My name is Joel C. Schacht, I have been a resident of Antrim all my life, minus my ten years in the United States Marine Corps. Im contacting you to show my support for the windmills being brought in and set up here in my home town. I believe this is a great form of clean energy and will help many people out to include the locale area and its people. Thank you for your time and I look forward to a clean future.
