Subject: Wind Farm

This email is being sent to inform you of my total non-support of the windfarm project proposed in Antrim NH. This is exactly the same as I voted twice before with the majority of town residents. To say that this is a new project is absurd. It's the same cast of characters with very little variations. The selectmen of Antrim do not represent me or other town residents wishes that voted this down. The selectmen represent themselves and their interests. Apparently I am forwarding this letter to the N.H. State Attorney Generals Office to request to have the town of Antrim selectmen be investigated to see if any voting laws have been violated. If guilty, then punishment will be brought forth. I know they have legal council because I help pay for it out of my taxes against my will. Ignorance to the law is no excuse.
