

Dear SEC Members,

December 5, 2016

I am sending you this letter to express my support for the Antrim Wind Energy Project. I want to urge you to approve the application. As a resident of New Hampshire I am truly concerned about where we get our energy. I would like to see our state's energy be generated from a sustainable source. This project can achieve that goal and it will further help reduce our dependency on fossil fuels.

Also, from what I understand, this project appears to have met all the necessary requirements to be built. I hope you will consider this request and support the approval of the project.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Gail DeFreitas".
