Subject: support for Antrim Wind Energy
Date: Monday, December 5, 2016 1:12:54 PM

Hi Pamela,

I'm a resident of Antrim and a supporter of green energy, community, and sustainability. I am writing to express my support for the Antrim Wind Energy project. I believe the project is well thought out, the impacts are minimal, the benefits to our ecosystems and community are significant, and the time is right. I encourage you and your colleagues to make wind energy possible in Antrim - please!

Many thanks,

Jess Gerrior
