Dear Pam,

My name is John Vest and I am an Antrim resident on Beaver Dam Road. I am very much in support of the Antrim Wind Project and would like to see it move forward.

Being in the electric utility industry I see many wind farms being constructed throughout New England and around the country. I'm a believer in renewable/clean energy and understand the long term global benefits.

I appreciate you considering my input in this important decision.

Sincerely,

**John Vest**
