Hello Ms. Monroe,

I'm writing today to let you know that I wholeheartedly endorse and approve of the wind energy project proposed for Antrim by Antrim Wind Energy LLC. Being a 30 year resident of Antrim and part of a family with a long standing roots and love of our town, I believe the project will be beneficial to our town and region. I support wind energy and feel this particular project as proposed is environmentally responsible and well designed: something I would be proud to see in our town.

Thank you for your time.
