RE: Wetland Program Permit Application (RSA 482:A)
Permit Type: Standard Wetland Permit
DES File Number 2016-00965
Subject Property: Linear Transmission Line Row, Portsmouth, Tax Map/Lot#: ROW / ROW

Dear Property Owner:

Pursuant to RSA 482-A-3, XIV, the Department of Environmental Services (NHDES) has accepted your application and supporting materials received on **04/14/2016** for the permit program and subject property referenced above. Please check that the permit type and property information above is correct and notify us of any errors.

Your application package has been forwarded to technical review. A detailed technical review of your application package will be completed within the applicable timeframe: 30 days for a minimum impact expedited application, 75 days for projects where the applicant proposes under one acre of jurisdictional impacts, or 105 days for all other projects, from the date of this letter. **Please note that this is not a permit or authorization to begin work.** The technical staff will notify you through separate correspondence if any additional information is required to support your application package.

You may use the Internet to check the status of your permit application review using OneStop, which is accessed through the DES website (see <http://www2.des.state.nh.us/OneStop>).

We appreciate your commitment to comply with state environmental protection rules and laws. If you have any questions, please contact the NHDES Wetlands Program at (603) 271-2147.

Thank you,

Land Resources Management
