Subject: Application of Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) for a Certificate of Site and Facility for the Construction of a New 115kV Transmission Line from Madbury Substation to Portsmouth Substation SEC Docket No. 2015-04

Dear Ms. Monroe:

I am writing in response to your request of April 15, 2016 concerning the Department of Transportation’s review of Public Service Company of New Hampshire d/b/a Eversource Energy for the above referenced project also known as the Seacoast Reliability Project. The Department has received the application and has reviewed it to determine if there is sufficient information to consider the issuance of permits.

The application is sufficient for us to initiate review for our permitting needs.

Sincerely,

Melodie A. Esterberg, PE
Chief of Design Services
