Re: Requesting Intervening Full Party Status on NH Site Evaluation Docket No. –
2015 – 06 Northern Pass Transmission – Eversource

On behalf of McKenna's Purchase Unit Owner's Association (MPUOA) we are
requesting a Full Party Status on the above referenced Docket.

We appreciate and understand the intent of the Site Evaluation Committee (SEC) by
combining alike interveners on this docket; however, MPUOA represents 148 individual
property owners who have a profound and substantial interest in the outcome of the
proceedings. MPUOA has been grouped with seventeen other individual property
owners who represent themselves. MPUOA is responsible to both protect the interests
of all association members and to gain a majority or consensus on how to act from 148
individual owners who have the same interest (1/148) in the outcome of these
proceedings.

Due to the number of members involved we believe Full Party Status should be granted
by the SEC.

Respectfully Requested,

Michelle Kleindienst
Association Manager
McKenna's Purchase Unit Owners Association
