Docket No. 2015-06

Joint Application of Northern Pass Transmission LLC ("NPT") and Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") for a Certificate of Site and Facility for the Construction of a New 1,090 MW Electric Transmission Line

Motion to Intervene

I (We) Kevin Spencer, 161 Sullivan Road, Stark, NH 03582-6451, respectfully request to intervene in the captioned docket.

Memorandum in Support of Motion

I (We) own a property at 338 Percy Road, Stark, NH 03582-6451. The property is encumbered by an easement that NPT and Eversource have applied for a Certificate of Site and Facility for the construction of high voltage transmission infra-structure for the importation of electricity from Canada. The easement(s) is (are) attached hereto).

NPT and PSNH do not have the right to a Certificate of Site and Facility on the easement described above because the easement did not grant such rights to PSNH or NPT. I (We) own the rights.

I (We), therefore, request that we be granted the right to intervene in this docket.

Respectfully submitted,

Kevin Spencer
