Dear Sir or Madame,

This letter serves as my request for intervener status with regard to the Northern Pass project. Our family lives in Rockingham county and has a desire to move north find a house that suits our needs and after our children graduate from college.

I found a property that I am interested in and have discovered that the proposed route for Northern Pass will be visible from that property. The property is located in Belknap County, on 6 New Road in Meredith. This finding changes my interest in the property.

You cannot imagine my disappointment and sadness in finding out what a big company with power can do to the interests of private property.

Thank you for your attention.

Sincerely,

Anita Giulietti
