**2. Order of Inquiry and Procedures.** The order of inquiry for each witness/panel will begin with the Applicant. Once the Applicant has completed its questions, Counsel for the Public and the Intervenors will be allowed to ask additional questions; however, repetitive questions will not be allowed. The purpose of the technical session is to exchange information. Inquiries shall be in the form of a question and shall not be argumentative. Questions to witnesses should be limited to issues pertaining to the witness's field of expertise, pre-filed testimony, and should be within the scope of the adjudicative proceeding. Questions regarding qualifications of witnesses will also be allowed. If a proper question or inquiry cannot be answered at the time of the technical session, the Administrator will note the data request, and will issue a written report with a date by which the information must be

provided in writing. Said answers are to be distributed to the parties only service list and shall not be copied to the Committee.

**3. Mediation of Disputes.** Counsel for the Committee or the Administrator will mediate any disputes regarding inquiries and requests for information, and will maintain a list of documents or additional answers requested by the parties. To the extent that any party is aggrieved by the handling of any inquiry, question or document request, that party shall file an appropriate motion for discovery, objection to discovery, or motion for a protective order. All motions and/or objections shall be directed to the Presiding Officer and shall comply with the Committee's Procedural Rules and the Procedural Order issued in this docket.
