Re: Joint Application of Northern Pass Transmission, LLC and
Public Service Company of New Hampshire, d/b/a Eversource Energy
for a Certificate of Site and Facility, NH Site Evaluation Committee
Docket No. 2015-06

Dear Ms. Monroe,

We own land and property on both sides and under Route 116 in Franconia which NPT proposes to use for its underground electric transmission lines.

We believe that NPT's application is incomplete because it has not established its rights or secured our permission to excavate earth, tunnel under a brook, and operate through or utilize our land.

G. Peter Grote

Very truly yours,

Mary Speer Grote
