Subject: 300+ visitors speak out on NP SEC No. .2015-06

Northern Pass Transmission - Eversource
SEC Docket No. 2015-06 New Hampshire Site Evaluation Committee

To: Pamela G. Monroe, Administrator
21 South Fruit Street, Suite 10
Concord, NH 03301

The attached signatures are proof of the astounding number of “just plain people” who don’t want towers – people from in- and out-of-state in equal numbers. I was curious to see if the numbers were really as big as we claimed, so I posted a sign-in sheet on a less-heavily used hiking trail, and in 4 weeks there were over 300 names, all saying “No Towers.”

Over three hundred (300+) names from one off-the-beaten-path trail! It rained a lot and was hard to write, but people took the time – adding extra paper and writing on the backs. Multiply these numbers by other trails on other days. Then add the non-hikers who see towers on their drive north, or south. **They shouldn’t have these ugly towers thrust on them in the super-beautiful landscape so touted by New Hampshire Tourist Bureaus!**

It is time to take New Hampshire into the 21st century. Bury the lines. Show that regulators listen. The numbers shout that “we the people” don’t want to be wrapped in overhead wires of the past. **Make New Hampshire a leader in 21st century technology. Make New Hampshire a forward-looking bell-weather state. The technology is here. Use it. Bury all the lines all the way! LISTEN TO THE PEOPLE.**

POSTED AT KINSMAN RIDGE TRAILHEAD FOR 4 WEEKS—
SAMPLE OF OVER 300 SIGNATURES FROM SIGNUP

WILL YOU HELP?

If you hiked to Bald Nob* will you sign this?

From Bald Nob well over four miles of Northern Pass Towers will be visible.

Right now you don't (or barely) see the 40' wooden towers.

Proposed new metal towers will be 2 – 3 times taller.

*We are gathering a count of how many people visit this favorite spot and would see these towers in the middle of their view.

We will report our findings in our comments to the Federal Environmental Impact Study (EIS) and NH Site Evaluation Committee

Easton Conservation Commission

Name	City/County	Side Trip? (Y/N)	Date	1st Visit? (Y/N)
