Re: Intervenor Status in Northern Pass Transmission-Eversource Docket No. 2015-06

Dear Ms. Monroe:

The current Board of Directors of the North Country Chamber of Commerce met recently to review and discuss the Northern Pass Project. We recognize that our previous communications of May 23, 2013, December 30, 2015 and February 4, 2016 were a reflection "of the concerns of the board and not as an expressed opinion of any of our members." At this time, the Board believes that as a member organization it is incumbent on us to be the voice of our constituency, not just the board. We represent members who are both in favor and opposed to the project. Therefore, we would like to be listed as neutral interveners and be the conduit for sharing information to our members.

Respectfully Submitted,

Wayne Frizzell
Board President
