**Re: Joint Petition of Granite Ridge Energy, LLC and Calpine Granite Holdings, LLC for Approval to Transfer Membership Interests
NHSEC No. 2015-__**

Dear Ms. Monroe:

As you know, the Brennan Lenahan firm and I have acted as outside counsel to the New Hampshire Site Evaluation Committee ("Committee") over the course of the past 15 years. Our firm has represented the Committee in numerous matters including Applications for Certificates of Site and Facility for wind power facilities, gas powered facilities, transmission lines and pipelines.

I currently represent the Committee in several matters including SEA-3, No. 2015-01; Antrim Wind Energy, LLC, No. 2015-02, Merrimack Valley Reliability Project, No. 2015-05 and Northern Pass Transmission, No. 2015-06. In addition, I have provided various services to the Committee that have not been associated with any particular Application, but have assisted the Committee in responding to public concerns. I have also represented the Committee when dealing with the miscellaneous energy facility siting issues that arise, including requests for exemptions from certification, requests for modifications of outstanding Certificates and requests for jurisdictional advice. I have also been involved in the efforts of the Committee to promulgate administrative regulations.

It is my understanding that the Committee has received a Joint Petition from Granite Ridge Energy, LLC and Calpine Granite Holdings, LLC for approval for transfer of membership interests in Granite Ridge Energy, LLC.

The purpose of this letter is to advise you that our office is available, ready, willing and able to represent the Committee with respect to this docket if, in fact, the Committee deems it necessary and appropriate to hire outside counsel for this purpose. I can confirm that my office has no conflicts of interest in representing the Committee in this matter.

Martin Honigberg, Chairman
NH Site Evaluation Committee
NH Public Utilities Commission

Pursuant to statute, the Applicant or party seeking the Committee's action is responsible for the payment of attorney's fees. *See*, RSA 162-H:10, V. The statute also states that the administrator, with Committee approval, may hire additional legal support to fulfill the functions of the Committee as necessary. In the past, our bills have been presented to the Chairman of the Committee for approval and then forwarded to the Applicant for payment. To the best of my knowledge, that process worked well and would still be permitted under the statute as amended.

In representing the Committee in this matter, I would propose attorney fees at the hourly rate of \$200.00 per hour and reimbursement for out of pocket costs and expenses incurred by counsel. To the extent that I employ the use of an associate in my office, the hourly rate for such an associate will be no more than \$200.00 per hour. In no case will my office charge more than \$200.00 per hour and our time will never be billed twice for two lawyers working on the matter at the same time, including attendance at meetings or hearings.

Should you require any further information about my firm, me or our qualifications, I would be happy to provide that in whatever format you require. Again, I thank you for the opportunity to represent the Committee and ask that you approve our representation under the terms and conditions set forth above.

Very truly yours,

Michael J. Iacopino
