

Subject: RE: 2015-08-- Tennessee Gas Pipeline, L.L.C.

Administrator Monroe:

Attorney O'Connell has assented to the Towns of Fitzwilliam, Pelham and Rindge filing their Reply to the TGP Objection to the Motion to Obtain an Expert until March 25, 2016, because of my travel plans. Attorney O'Connell's assent is without prejudice to his raising the argument that the SEC rules do not specifically provide for Replies to Objections.
