Dear Chair Bradley:

Attached please find copies of the Rulemaking Notice Forms and the Initial Proposals that were filed with the Office of Legislative Services, on May 18, 2016. The rules apply to the siting of high pressure gas pipelines and are proposed pursuant to authority set forth in RSA 162-H:10-b. If after your review of the rules you believe that there is any inconsistency with the statute, please notify me by July 6, 2016. I apologize for the delay in sending this notice to you.
