Re: SEC Docket No. 2021-05, New Hampshire Transmission, LLC, Seabrook Capacitor Bank Project - Pre-filed Testimony of Erika St. Pierre and Heather Storlazzi Ward

Dear Chairman Goldner:

On April 1, 2022 New Hampshire Transmission, LLC (“NHT”) submitted a Petition and Application in the above-captioned docket. As part of that filing NHT included the pre-filed testimony of Dana Valleau. Mr. Valleau has taken a new job and is therefore not going to be available to testify and respond to questions about his pre-filed testimony in this docket. NHT is therefore filing the attached pre-filed joint testimony of Erika St. Pierre and Heather Storlazzi Ward, both of whom have been working on this Project, and who will be adopting the testimony that Mr. Valleau filed and be available at the July 25, 2022 hearing in Seabrook.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Sincerely,

Douglas L. Patch
