

**AFFIDAVIT OF NOTIFICATION**  
**OF GRANITE RELIABLE POWER, LLC PROJECT**

This Affidavit is being provided to document that written notification of the Application of Granite Reliable Power, LLC for a Certificate of Site and Facility for a wind-powered renewable energy electric generating facility in the unincorporated areas of Millsfield, Ervings Location, Dixville and Odell, and the Town of Dummer, in Coos County, which GRP is filing with the New Hampshire Site Evaluation Committee, has been provided to the Town of Dummer and to the Coos County Administrator for the Coos County Commissioners. Admin. Rule Site 301.03 (h)(7) requires the submission of documentation that written notification of the proposed project, including copies of the Application, has been given to the governing body of each community in which the facility is proposed to be located

The undersigned hereby states under penalties of perjury as follows:

1. That I am an employee of Noble Environmental Power, the majority owner of Granite Reliable Power, LLC, and am familiar with the Application referred to above; and
2. That I have provided copies of this Application to the Town Clerk of the Town of Dummer and to the Coos County Administrator for the Coos County Commissioners, who are responsible for governing the unincorporated places, to cover the governing bodies in the communities where the facility is proposed to be located. Copies of the cover letters that were provided to each of these entities are attached to this affidavit.

***Re: Docket 2008- Application of Granite Reliable Power, LLC  
for Certificate of Site and Facility for a Renewable Energy Facility in Coos  
County***

Dear Sue:

Enclosed is a copy of the Application of Granite Reliable Power, LLC for a Certificate of Site and Facility for a wind-powered renewable energy electric generating facility in the unincorporated areas of Millsfield, Ervings Location, Dixville and Odell, and the Town of Dummer, in Coos County. The Application is being filed with the New Hampshire Site Evaluation Committee. The Application and Appendices include five three-ring binders, marked as Volumes 1-5, a separate set of labeled plans, and a CD.

GRP is required by Admin. Rule Site 301.03(h)(7) to provide to the Site Evaluation Committee documentation that written notification of this project, including a copy of the Application, has been given to the governing body of each community in which the facility is proposed to be located. Since portions of the project are proposed to be located in four unincorporated places, we are providing you a copy of the Application so that it can be provided to the County Commissioners.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance.

Very truly yours,

Pip Decker

***Re: Docket 2008- Application of Granite Reliable Power, LLC  
for Certificate of Site and Facility for a Renewable Energy Facility in Coos  
County***

Dear Ms. Letarte:

Enclosed is a copy of the Application of Granite Reliable Power, LLC for a Certificate of Site and Facility for a wind-powered renewable energy electric generating facility in the unincorporated areas of Millsfield, Ervings Location, Dixville and Odell, and the Town of Dummer, in Coos County. The Application is being filed with the New Hampshire Site Evaluation Committee. The Application and Appendices include five three-ring binders, marked as Volumes 1-5, a separate set of labeled plans, and a CD.

GRP is required by Admin. Rule Site 301.03(h)(7) to provide to the Site Evaluation Committee documentation that written notification of this project, including a copy of the Application, has been given to the governing body of each community in which the facility is proposed to be located. Since portions of the project are proposed to be located in Dummer, we are providing you a copy of the Application so that it can be provided to the Dummer Selectmen.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

Pip M. Decker
