**Re: Application of Laidlaw Berlin BioPower, LLC  
Site Evaluation Committee No. 2009-02**

Dear Chairman Burack:

This letter is to notify you that DES Water Division staff has completed their determination, as to whether or not the various program applications contain sufficient information to complete their technical review. The following list contains the program application numbers, as well as the completeness determination:

1. Alteration of Terrain Permit Application No. 091216-104: Complete
2. Shoreland Permit Application No. 2009-03017: Complete
3. Industrial Wastewater Indirect Discharge Request Application No. IDR 10-002: *The application contains sufficient information to complete a technical review; however, the application does not indicate that it has been approved by the municipality, nor has the application been signed by an authorized municipal official, as required by New Hampshire Code of Administrative Rules Env-Wq 703.07 (b)(6) and (b)(7), respectively.*
4. Sewer Connection Permit Application No. D2010-109: *The application contains sufficient information to complete a technical review; however, the application does not indicate that it has been approved by the municipality, nor has the application been signed by an authorized municipal official, as required by New Hampshire Code of Administrative Rules Env-Wq 703.07 (b)(6) and (b)(7), respectively.*

The DES Water Division staff's detailed review of the project, along with the provision for technical comments or conclusions, will occur concurrent with the EFSEC project evaluation process. If you have any questions, please contact me at 271-2951 or by email at: [Rene.Pelletier@des.nh.gov](mailto:Rene.Pelletier@des.nh.gov)

Sincerely,

Rene J. Pelletier, Assistant Director  
Water Division
