Re: SEC Docket No. 2010-01-Application of Groton Wind, LLC

Dear Chairman Burack:

Enclosed for filing with the New Hampshire Site Evaluation Committee in the above-captioned docket, please find 19 copies of a letter from me to Groton Town Clerk Joyce Tolman and a receipt signed by Town of Groton Administrative Assistant Pamela D. Hamel. Appendix 23 of the above-referenced Application has been reserved for these documents which are being submitted in compliance with Admin. Rule Site 301.03(h)(7). This rule requires documentation that written notification of an application for a certificate of site and facility has been given to the governing body of the community where the proposed facility is to be located.

As an additional matter, the Applicant wishes to note that although the prefiled direct testimonies of John D. Hecklau, Nancy B. Rendell and Michael J. Leo (all of which were filed with the above-referenced Application) bear a water mark entitled "Draft", those prefiled testimonies are actually final versions of those document and are not drafts.

Thank you for your attention to these matters. Please do not hesitate to contact me if there are any questions them.

Very truly yours,

Susan S. Geiger
