***Re: Docket 2010-01 Application of Groton Wind, LLC  
for a Certificate of Site and Facility for a Renewable Energy Facility-  
Supplemental Information and Application Section C corrections***

Dear Chairman Burack:

Enclosed for filing with the Site Evaluation Committee ("SEC") as part of the Application in the above-captioned docket, please find a list of landowners in proximity to boundaries of land that has been leased for the Groton Wind Project. This filing is intended to supplement the information that is included in what is labeled section C.2. of the Application. This supplemental information is provided in addition to the information contained in Appendix D of the Applicant's Wetland Permit Application (found in Volume II, Appendix 1) along with the information contained in the last paragraph on page 6 through the top of page 9 of the Application.

The Applicant wishes to bring to the SEC's attention that, due to a formatting error that occurred during production of the Application, a subsection heading that corresponds to the information required by Site 301.03(c)(3) was inadvertently omitted from the bottom of page 6 of the Application (just before the last paragraph). As a result of that omission, the remaining subsections in Section C are incorrectly numbered. However, notwithstanding this formatting error, all of the information required by Site 301.03(c)(1) through (c)(6) has been provided in the Application.

Please do not hesitate to contact me if there are any questions about the information contained in this letter. Thank you for your assistance.
