RE: Groton Wind LLC (SEC #2010-01)

Dear Mr. Iacopino:

The Department's staff have now had an opportunity to review the Spring and Summer 2010 Acoustic Bat Survey; however, I have not received the final summary from the Department's staff, to date. They have been conducting field work (not associated with this project), which has caused the delay in providing a response. I suspect a final report would be forthcoming in the next couple of days for submission to the file, prior to the end of the SEC hearing.

If you have any questions or concerns about this information, please do not hesitate to contact me at 271-3511 or by email at: [carol.henderson@wildlife.nh.gov](mailto:carol.henderson@wildlife.nh.gov). Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Carol B. Henderson".
