

Application of Groton Wind, LLC
Docket No. 2010-01

Record Request: Explanation of muck pile management implementation to meet DES's recommended permit condition.

Response:

NH DES October 8, 2010 "Groton Wind AoT Final Approval" DES Condition 22 (4) addresses "Muck Pile Management".

Groton Wind will obtain written details and clarification on proper "blasting muck pile management" from NH DES, and will require that any blasting contractor adhere to DES's requirements.
